Torah Tots Preschool
821 Hawkins Ave.
Lake Grove NY, 11755

Dear Parents,

Thank you for considering Torah Tots Preschool for your most precious gems, your children. You have made a wise choice.

If a friend referred you to us they may have told you. If you came by to visit us, you may have seen it for yourself. However if you're just receiving this brochure, I'll tell you why Torah Tots Preschool is seen not only as a preschool but also as a warm home away from home.

As a parent of young children myself I know that along with science, numbers, colors, coordination and art, and of course security, I want a happy child. The children at Torah Tots come home happy and are eager to attend every day.

I am with the children every day as I have been for the past 20 years since founding Torah Tots. Our professional staff loves to work here as well because of the warm atmosphere. And the children are well prepared for school as we follow a very thorough curriculum.

I welcome you to stop by and visit our school and ask lots of questions. You can reach me at 631-585-0521 ext. 104 or you could email me at rivkie@chabadsb.com. You can even get a sneak preview on our website-www.torahTotsPreschool.com.

With best wishes,

Rivkie

P.S. As a synagogue preschool the kids gain the flavor of Shabbat and Jewish Holidays. You get the best of both worlds. Shalom.

WELCOME TO OUR SCHOOL

The Torah Tots Preschool is a place where young Jewish children receive an exciting, creative and nurturing experience that will provide them with the foundation to grow educationally, socially and spiritually. We offer small classes with excellent teacher/student ratios, a professional staff of early childhood specialists and a modern facility equipped with the most educationally sound early childhood equipment and manipulatives. Most importantly, your child will receive a well rounded, enriching education, filled with Jewish traditions and customs intertwined with a wide array of academic subjects, personal development, values, socialization and learning skills. If you are looking for a remarkable Jewish Preschool experience for your child, we invite you to enroll in the Torah Tots Preschool.

PHILOSOPHY

At Torah Tots Preschool we welcome every Jewish child regardless of background or affiliation. Our goal is to make learning interesting, exciting and stimulating through a hands-on approach. We provide for physical, intellectual and emotional growth through drama, visual aides, manipulatives, and the use of centers within the classroom such as art, science, blocks, math and literacy. Children are encouraged to use their senses to explore, experiment, and use their imagination to the fullest. We have developed our program to encourage each child to be a learner rather than a performer. A performer does everything to please others; a learner is excited about the world around him and is eager to explore it. Our staff works with the children to help develop their self-esteem through problem solving, encouraging self-expression and offering positive reinforcement.

STAFF

Our teachers are carefully chosen not only for experience and credentials, but most of all for their warmth and caring. Our teachers take delight in the children, care for their individual needs, and work tirelessly to provide the children with the greatest gift of all, a love for learning.

ATMOSPHERE

Our classes are conducted in a warm and friendly environment that fosters learning and creative expression. In our program, we utilize an extensive supply of early childhood toys, games and manipulatives to give our children the hands-on experiences that they will need to expand their imaginations as well as to develop their motor skills. In addition, the children receive a wonderful program which includes music and movement.
